REQUEST FOR RECONSIDERATION OF  
PATENT TERM ADJUSTMENT UNDER 37 C.F.R. § 1.705(d)

Sir:

RELIEF REQUESTED

Patentee hereby requests reconsideration and recalculation of the Patent Term Adjustment (PTA) for the above-identified patent. See 37 C.F.R. § 1.705(d). For the following reasons, this patent is believed to be entitled to a PTA of 796 days:

## FACTS

1. On April 20, 2005, a Notice of Allowance was mailed that indicated a 714 day extension.
2. On May 9, 2005, Applicant's representative conducted a telephonic interview with the Examiner to point out a U.S. Patent and Trademark Office error in the listing of allowed claims set forth in the April 20, 2005 Notice of Allowability.
3. On May 11, 2005, an Examiner Interview Summary Record was mailed, correcting the U.S. Patent and Trademark Office error in the listing of allowed claims.
4. The Interview Summary Record stated that "If a reply to the last Office action has already been filed, Applicant is given one month from this interview date, or the mailing date of this interview summary form, whichever is later, to file a statement of the substance of the interview".
5. On May 26, 2005, Patentee filed, inter alia, a Statement of Substance of Interview.
6. The PAIR system (copy of printout attached) assigns 120 days of Applicant delay to the Statement of Substance of Interview.
7. On June 6, 2005, Applicant paid the issue fee.
8. On December 27, 2005, the subject patent issued indicating a PTA of 676 days, i.e., 796 days less the 120 days.
9. The patent is not subject to any terminal disclaimer.
10. In view of the foregoing, Patentee respectfully submits that there were no circumstances constituting a failure to engage in reasonable efforts to conclude processing or examination of this application as set forth in 37 C.F.R. § 1.704.

## ARGUMENT

Patent term adjustment is reduced by the period of time during which the applicant failed to engage in reasonable efforts to conclude prosecution. See 35 U.S.C. § 154(b)(2)(C)(i). When papers are filed after the mailing of a Notice of Allowance, such failure is present only when the paper causes “substantial interference and delay in the patent issue process”. See O.G. Notice "Clarification of 37 CFR 1.704(c)(10) - Reduction of Patent Term Adjustment for Certain Types of Papers Filed After a Notice of Allowance has been Mailed" dated June 26, 2001. According to the Notice, papers said to cause such interference and delay include (1) a request for a refund, (2) a status letter, (3) amendments under 37 C.F.R. § 1.312, (4) late priority claims, (5) a certified copy of a priority document, (6) drawings, (7) letters related to biological deposits, and (8) oaths or declarations, whereas papers said not to cause interference and delay include (1) Issue Fee Transmittal, (2) Power of Attorney, (3) Power to Inspect, (4) Change of Address, (5) Change of Status (small/not small entity status), (6) a response to the examiner's reasons for allowance, and (7) letters related to government interests. *Id.*

While a Statement of Substance of Interview paper is not specifically listed in the O.G. Notice as belonging to either of these two classes of examples, Patentee respectfully submits that the Statement of Substance of Interview filed in this case is not a paper causing interference and delay, and therefore should not affect PTA. Furthermore, the Interview Summary Record stated that “If a reply to the last Office action has already been filed, Applicant is given one month from this interview date, or the mailing date of this interview summary form, whichever is later, to file a statement of the substance of the interview”. Accordingly, although no formal reply to the Office Action was filed, Patentee filed the Statement of Substance of Interview to avoid any question of compliance with the Statement of Substance of Interview requirement. See also 37

C.F.R. § 1.133(b), MPEP 713.04. Lastly, Patentee understands that it is the policy of the Office of Patent Legal Administration to consider a Statement of Substance of Interview of the type filed here as a paper not causing interference or delay. Therefore, Patentee respectfully submits that the 120 days charged as Applicant delay should be reconsidered.

#### FORMAL MATTERS

Submitted herewith is a check for \$200.00 for the fee set forth in 37 C.F.R. § 1.18(e). Any deficiency in this fee may be charged or any overpayment credited to Deposit Account No. 06-1205.

#### REQUEST FOR INTERVIEW

If any questions remain, Patentee respectfully requests that the U.S. Patent and Trademark Office contact Patentee's undersigned representative at (202) 530-1010 to schedule an interview.

CONCLUSION

In view of the foregoing, favorable consideration hereof and reconsideration and recalculation of the PTA to be 796 days are earnestly solicited.

Respectfully submitted,
